**Lesson: A Conversation About Starry Night**

## Lesson Questions

- Look: from top to bottom, left to right.
- What do you see? What objects do you recognize?
- How would you describe the colors?
- Do you see the brushstrokes? What kind of effect do they create?
- What time of day is it or what season?
- What is the mood of the work and what makes you say that?
- Vincent van Gogh painted this. Have you heard of him? What do you know about Vincent van Gogh?
- Van Gogh painted this village in France. Have you been to Europe before? Does this look like any place you have visited before? Where? What part of the painting makes you think of that town?
- If you were to enter this painting, what will you find in the village? What might the people be doing? Would you like to live there?
